

SSI WINS CLEARLYRATED'S 2019 BEST OF STAFFING® CLIENT AND TALENT AWARDS

Earned by less than two percent of all staffing agencies in the U.S. and Canada

Cranberry Township, PA – February 7th, 2019 – SSI, a leading employment agency in the IT, Engineering, and Professional labor categories, announced today that they have won [ClearlyRated's Best of Staffing® Client and Talent Awards](#) for providing superior service to their clients and placed talent. Presented in partnership with CareerBuilder, ClearlyRated's Best of Staffing winners have proven to be industry leaders in service quality based entirely on ratings by their clients and the candidates they've helped find jobs. On average, clients of winning agencies are 2.2 times more likely to be completely satisfied, and candidates who have been placed by winning agencies are 1.7 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies. Less than 2% of all staffing agencies in the U.S. and Canada have earned the Best of Staffing Award for service excellence.

Focused on helping to connect people with the right job openings at US companies, SSI received satisfaction scores of 9 or 10 out of 10 from 73.8% of their clients and 79.4% of their talent, significantly higher than the industry's average.

"Shockingly responsive customer service is always at the core of our business at SSI, and we are honored to be recognized 4 consecutive years as Best in Staffing Talent and 3 consecutive years as Best of Staffing Client" said CEO and Founder, Ron Seibert. "With every one of our clients we serve, and all the hundreds of consultants we place, quality and timely service is our priority. At SSI, we value our client and talent feedback through our survey process and continually improve our service model. We are very proud and honored to once again win these awards that are driven by the evaluation and feedback of our valued clients and consultants."

"In today's historically tight labor market, hiring managers and job seekers need a clear and reputable way to vet potential staffing and recruiting partners," said ClearlyRated's CEO Eric Gregg. "Best of Staffing winners have set themselves apart by demonstrating their commitment to client and candidate service, investing in a survey and feedback program that brings transparency to the client and talent experience at their firm.
